LE RÊVE ORDERING BUSINESS CARDS FROM VISTAPRINT

1. Go to http://www.vistaprint.com.au.
2. Hover Over "Business" and select "Premium Business Cards"
3. Select 3rd Option – "Upload your own complete design".

4. Select the horizontal layout when the window pops up and click continue.
5. Click "Choose File". Upload the Le Rêve Business Card background from where you have saved this file on your computer. Business Card files are available to download from Focus Online, under Information.

6. The Business Card background will upload, then click "Next".
7. Above the displayed Business Card background is an area called "Insert" – Click "Text".

8. Double click on the text field to edit the text. You will see familiar text controls to those found in Microsoft Word.
9. Repeat steps 7 & 8 to add all the fields you require on your Business Card. You may like to include:
• First and Last Name
• Address
• Email address
• Phone numbers
10. Choose the font – Arial, with a font size of 8, and text colour – white.
11. Once you have created all the text fields and placed them in the position suggested in this example below, check the box "Online Proof Approval" and "click next".

12. Sign in or Register as a VistaPrint Customer and finalise your purchase.
13. Your Business Cards will be delivered via VistaPrint's delivery methods.
14. You now have cheap as chip business cards and you can call yourself a graphic designer.
